Seal	
1	Man of sin confirms Mosaic covenant and temple rebuild begins. Given crown as leader of Israel and conquers surrounding nations
2	Peace is taken from the earth and deadly divisions form between nations, cities and households over what is happening
3	The temple rebuild is completed and the daily sacrifice restarts, the yoke of the Old Covenant is taken up again
4	At the abomination of desolation 1/4 of the earth falls under the control of the man of sin and all those who oppose him are killed
5	Those killed by the man of sin are seen under the altar in heaven and told to wait until their fellowservants are killed as they were
6	The sun, moon, and stars event heralds the day of the Lord as the earth begins to understand the trouble they are in and the redeemed look up
7	Silence in heaven for 1/2 hour, the quiet before the storm
